# 3M

- Brady** Labels - Wire Markers - Cable Tags - ID Tapes - Printing Systems
- Isodyne** Backshells - Tri-Dent Springband
- Amphenol/PCD** D-Sub Connectors - Splices - Modules - Backshells
- Conesys/Aero** Connectors - D38999 Series 1-2-3 - Mil Spec Circulars
- FilConn** Connectors - Custom - Filter
- Burndy** Terminals - Grounding Straps - Tie-Wraps (Mil-Spec.)
- 3M** Tape - Electronic - Electrical - Specialty - High Temperature
- Arlon** Tape - Electronic - Electrical - Specialty - High Temperature
- Nitto-Denko/Permacel** Tape - Electronic - Electrical - Specialty - High Temperature
- Dewal** Tape - Electronic - Electrical - Specialty - High Temperature
- Federal Mogul** Expandable Braided Sleeving - Wire Harness Protection
- Techflex** Expandable Braided Sleeving - Wire Harness Protection
- Western Filament** Expandable Braided Sleeving - Wire Harness Protection
- Breyden** Lacing Tapes - Twines - Cords - Sleeving
- Sumitomo** Heat Shrink Tubing (Mil Spec. Polyolefin -Kynar -Teflon) - Solder Sleeves
- LS/Dunbar** Heat Shrink Tubing (Mil Spec. Polyolefin -Kynar -Teflon)
- Velcro** Hook & Loop Fasteners - Ties - Straps
- Cembre** Tools - Connectors - Terminal Block Markers
- Aeros** Flexible Conduit & Fittings
- Ideal/S&K Tools** Wire Strippers - Tools & Sockets
- Carlisle** Wire & Cable - Contacts (Mil Spec.) - Data Bus Connectors
- Huber & Suhner** Wire & Cable - RF Antennas
- Gravotech** Nameplates - Signs - Engraving & Laser Marking Equipment
- Slingco** Heavy Duty Cable Grips
- Aero LED's** LED Aircraft Lighting

[A.C.E. is your source for wire & cable markers, labels, tapes & printing systems, connectors, backshells, electrical & specialty tapes, expandable sleeving, heat shrink tubing, velcro & cable lacing fasteners, tools, wire and cable & other wire harness accessories.](#)

AIRCRAFT & COMMERCIAL ENTERPRISES, INC.

## CAPABILITIES & SERVICES

### EXCEPTIONAL SALES SUPPORT & CUSTOMER SERVICE

- Experienced & knowledgeable team
- Competitive Pricing
- Quick quote response time
- EDI Capability
- Full Traceability back to manufacturer with documentation

### QUALITY STOCKING AND SHIPPING DEPARTMENT

- Thousands of standard products in stock
- Same day shipping for stock items
- JIT – Just In Time delivery coordination
- DTS – Dock To Stock program
- VMI – Vendor Managed Inventory options
- Consigned Inventory options
- AOG – Aircraft On Ground priority expediting
- DPAS – Defense Priorities & Allocations System priority expediting

### TECHNICAL SUPPORT SERVICES

- Engineering Design & Application Consultations – technical expertise to work with Engineering personnel on application recommendations, product qualification testing and technical assistance
- On-site installation, training and technical support for the printers, software and other equipment
- Library of customer and industry specifications, drawings, and test reports for many of the products that we sell
- Provide software upgrades and data file conversion for customers using or converting to our label printing systems and products.

### PRINTING & KITTING SERVICES

Provides customers a solution to take on more print jobs without the investment in costly machines and labor.

Custom printing for wire markers, UID labels & RFID tags using thermal transfer and laser marking capabilities. Methods of printing:

- Thermal Transfer (Single and Double-Sided Print)
- Fiber Laser marking (Single and Double-Sided Print)
- Ink-Jet Printing
- Gerber Design- Print-Cut
- Color Thermal Transfer
- 3-D Print Capability

Cut and Mark Tubing

- Kitted cut pieces of heat shrink tubing
- Kitted cut pieces of expando sleeving
- Custom kitting and labeling for wire markers, UID labels & RFID tags.
- Print and cut decals with spot color technology.
- Custom width cut rolls of various materials.

### GOVERNMENT PACKAGING

- Government invoicing (WAWF), packaging, & shipping audited by DCMA (Defense Contract Management Agency)
- Certified approved small business partner for joint DLA/Boeing, Lockheed, Bell, & General Electric Aviation projects

### VALUE ADDED SERVICES

- Custom printing & kitting of labels, wire markers, UID labels, & RFID tags
- Electrical component kitting
- Data file conversion
- On-site printer and software programming, testing, and repairs
